Game Summary:

Do you believe in miracles? Team Cherry STUNS Maybe One to knock out the overwhelming favorite from the playoffs. Maybe One shows no desperation in their play, nor any ball control offense.

Team Cherry keeps the game plan simple that works to perfection, score the first goal, team defense protecting the net, get your goalie to make the big and timely saves, and contain Matty Iannello from making an impact. Fill in goalie Ray Dow, who last played net a very long time ago, his goalie equipment stored in his outdoor shed with different animals living in it, stops all 28 shots he faces to earn the shut-out. Ray was looking very Marty Brodeurish in how he looked in net as well as how he performed. Brian Kehoe scores the games only goal late in the first period.
