Tommy Guns | **Capo-Zero**

Game Summary:

Tommy Guns regains their offensive production form early and often, as they ramp up their running game to go along with their potent offense, to completely dominate their opponent, winning their first game of the season.

Capo-Zero is not the same team that played the first week of the season that soundly defeated the defending champs. We witnessed the complete opposite in this game, as they played with no energy, looked lethargic, had no pushback against their opponent, with the defense giving up too many breakaways, leaving their goalie out to dry. Again, where are the top players and scorers on offense for this team?

Mike Duggan returns to action and has a breakout game, factoring in on six of his team's seven goals scored, with a hat trick and 3-assists, as he jump starts his Pink Shirt Challenge with a statement performance. His output on offense was classic Mike Duggan, as he single-handedly took over this game, putting all the league goalies on notice that he is motivated this season.

Jim Clarke transitions up to forward to fill the gap of his team playing short-handed on offense, becoming a scoring threat as he scores his first goal of the season to break open this game, while setting up two other goals. Well done Jim!

Patrick Spencer plays the playmaker role this game and sets up four goals and has his running game going all game.

Newly aquired player off the waiver wire Kevin Wilson makes his presence felt immediately for his new team, facing his former team in his debut, playing his typical hustle game, disrupting the other teams defense, resulting in 1-goal and 1-assist.

Alex Leone, is the playmaker on defense as he sets up three goals, while playing solid defense.

Angelo De Luca scores his team's only goal.
