## Game Summary:

Hammertime breaks a two game losing streak with their most impressive game this season, as they hold the lead all game long and pull away in a close game late. However. the lack of production by their second line continues to impact them.

Barney & Friends loses their third straight game as they fall behind for the second straight game, mount a furious comeback, only to fall just short at the end. The lack of scoring depth by their second line (other than the center) is holding this team back from winning more consistently.

Rob Sheridan takes on the leadership role on offense for his team as the playmaker, scoring 1-goal while adding 4-assists. He may not be playing at 100%, still dealing with an injury, but you would never notice that on how he continues to impact his games.

Patrick Spencer has a solid game on offense, leading the way for his team in scoring, as he notches a hat trick while assisting on another goal.

Mike Duggan finally breaks out on offense, scoring a hat trick (his most goals scored in a game this season), to remind the league that at any time he is capable of scoring quickly and often and is a threat.

Paul Firicano jumps into the offense to set up two goals.
