Game Summary:

The Rhinos get back to their winning ways scoring five unanswered goals, inspired from one hustling shift from an unexpected player (think MIA). Gang Green loses their second game in a row letting control and momentum of the game go after an injury to a player on their team. George Medeiros breaks out offensively to lead his team, scoring 2-goals and adding an assist. Carlos Machado predicts before his game he will get off that "Colleen no points list" and makes good on his promise with a key third period goal. Jay Glista jumps into the offense on a solo rush, takes advantage of a goalie misdeed to score lying on the floor, for a big insurance goal for his team. The injury to Cooch at the end of the second period, impacts this game for both teams and swings the momentum over to the Rhinos.
