Game Summary:

Black Hole wins their second game in a row and moves up the standings. Coach's Corner finally earns a point this season, but, looses their fifth game in a row.

Shawn Wyatt pounces on a defensive turnover in overtime to bury his shot with quick thinking and a snipers release, scoring the game winning goal.

Tony Bono what were you thinking in the second period with your team down a goal? Someone gives you a pass out front with a wide open net you SHOOT a one timer not stop the ball, hold it, let the goalie get into position, then shoot it into him!

Angelo Deluca what were you thinking in OT with the chance to win the game on a 2-on-1? You see their number 3 defenseman between you and a teammate, you don't give up the shot and pass the ball, you fake the pass and bury your shot! You are supposed to be a top goal scorer.
