**Game Summary:**

Maybe One wins their second game with a complete team effort (question is do they now change their team name to Maybe Three?). Trojan Horse losses it second straight game as it can't find its offense. Pat Pirone scores the game winning goal on a great wrap around move then proceeds to take three penalties and is out of the game. John Carey scores his team's first goal starting from his own end, jumping into the offense and finishing out front. Both goalies Jeff Deharo and Scott Rosato are locked in a close defensive game, giving their teams a chance to win. Jim Barber gets set up as time is winding down on the right circle with a chance to send this game into overtime but fails miserably as he misfires and fans on his shot.
