**Game Summary:**

Roadrunners stay extremely hot, winning their fourth straight game in a rout, as their team speed is too much for their opponent to handle. Justice League looks old and slow as they can't match the speed and generate offense compensating by focusing on defense.

Mike Duggan starts to heat up on offense for his team, scoring 2-goals while adding 3-assists, scoring 11 points in his last three games, to make a big jump up the leading scorers race into third place.

Gary Goodwin BEATS his Pink Shirt Challenge scoring 2-goals, closing this out in impressive fashion, netting 2-goals in three of his last four games, while breaking open a close game late in the third period.

Dominic Defranco has a quiet game on offense, setting up two goals, but has a huge impact with his hustle and speed covering a lot of the rink for the entire game with his solid positioning.

Steve Medeiros has a solid game on defense while setting up two goals on offense.

Goalie Steve Taddonio increases his lead as the top goalie in the league as he continues to be very stingy in net not giving up a lot of goals.
