Game Summary:

After losing two straight games, Dominions continues to be the team to beat this season, as they come back with a vengeance, winning their second straight game leaving no doubt, in routs of 7-2 and 8-1, No excuses Azores Express team when the team you are playing has only one sub on the bench and you have four subs. Take a good look in the mirror at this lack of performance. When you don't run and control the ball and let the opposition do whatever they want in your defensive zone and especially in front of the net the goals against will add up and you deserve to get routed. Manny Nunes continues his impressive season on offense as he factors in on six of his team's eight goals, scoring a hat trick and assisting on three goals to make a big jump up the leading scorers list. Dominic Defranco continues to increase his lead in the scoring race, with 1-goal and 3-assists, as he has had a multipoint game in 11 of the 13 games played this season. Tony Medeiros moves back to defense to help his depleted defense and plays the entire game, scoring 1-goal and adding 2-assists. His shocking goal off the opening faceoff only seven seconds in beats the goalie when it is shot from the Walmart parking lot. Rick Cassano has his second straight multipoint game as he breaks out with 2-goals and 1-assist. Pat Pirone plays his best game all season with a strong effort running and forechecking while also scoring 1-goal and adding 2-assists. Gary Goodwin scores his team's only goal in the first period momentarily making this a tie game.
