Game Summary:

M*A*S*H is the hot team in the league right now, as they have won three straight games and finally move up out of the cellar into fourth place in the standings. With one game left to play before the playoffs, this is the one team you won't want to play in the opening round.

Back-to-back blowout losses, scoring only 1-goal, not generating enough shots, more standing around than running, and shaky goaltending all

Azores Express

M*A*S*H

Team Timeout:

equals another disappointing effort by Azores Express.

Dave Norton finally breaks out this season with a statement game, scoring a hat trick and adding an assist, leading his team's offense.

Mark Stickney again plays a big game for his team, setting up three goals, and looks rejuvenated as the regular season winds down.
