Game Summary:										LOB Warning LOB							warn	iing	
Vulcan Grip puts this game away early in the second period with 4																			
unanswered goals to move into a tie for second place in the standings. Captain's Mutiny gets no "bounce effect" from last week's solid game,										Time Out Time Out									
losing their third straight game, going through the motions as they give up																			
too many goals and once again can't get that key routine save from their																			
goalie.								DOG Warning					DOG Warning
