Old-Time Hockey Weekend Game Sheet Summary

appearing to be confused by the play of their opponent.
Leo Trombley breaks out in leading his team with 2-goals and 1-assist (and
leadership overall) to factor into every goal his team scores. His first goal is
a thing of beauty for the catch and release finish to the low far side of the
net.
Don Maccini had a monster playmaker game, coming to play by running
hard and setting up 2-goals. His assist on his team's second goal was a
highlight no look pass from the right side boards off his backhand into the
high slot was right on the stick of his team mate, for the key insurance goal.
Marty Makarewicz stays hot in the playoffs, scoring 1-goal and adding 1-
assist to tie with the leading playoff scorers, while also scoring the most
goals so far.
Goalie Dale McIsaac broke out his MISI league MVP performance for the
Over-30 league, making multiple incredible key saves (even a few head
shaking unbelievable ones) until his team could extend their lead.
Gino Tammaro scores his team's only goal late in this game.
