### Game Summary:

Dominions remains on a roll heading into the playoffs to defend their title as they have won six of their last eight games played, with all six of those wins in blowouts. Again, for the rest of the competition, if you do not run with them, expect to lose!

Hammertime is missing its best player overall and especially on offense, and it shows as they give up three goals late in the second period within a two minute span that turns a tie game into a rout, and have now lost four games in a row. With their loss, Hammertime is locked in as the sixth playoff seed.

With his 2-goals scored and 3-assists, Dominic Defrancisco extends his lead in the leading scorers race to seven points with one game to play, although he clinched a second consecutive leading scorer award.

Manny Nunes has his second multipoint game in a row, acting as the playmaker by setting up 5-goals as he continues his move up the leading scorers race now tied for second place overall.

Tony Medeiros may just be heating up at the right time, scoring a hat trick, to break a close game wide open, with goals scored in every period.

It only took him 14 games but Jim Barber finally scored his first goal of the season, and removes his name from that dreaded "no goals" list of players.
