Game Summary:

In a game that has a "playoff edge" to it, Black Hole hangs on after giving up a 5-goal lead to win their second game in a row.

Gang Green makes a furious comeback in the third period, scoring four straight goals after losing their best player, only to fall just short.

Matt Farrell shines in this game, scoring 3-goals and adding 2-assists, while having opposing players play him physically all game.

Jim Barber gets his goal scoring mojo back after going scoreless his last three games, scoring 2-goals in the first period.

Joe Mancinelli finally breaks out offensively as the playmaker, scoring 1-goal and adding 3-assists.

Cooch leads his team on offense again, scoring 2-goals, his fourth goal scored in the past two games.

Showing scoring balance during their comeback, Gang Green has four different players score goals.

The bigger question is where were the goalies in this game and how did they let some of those goals go in?
