GAME SUMMARY:

Wing-Ah's remain unbeaten as they extend their winning streak to four games (the second blowout game today). Why are they so successful so early this season you ask? It's simple. **THEY SHOW UP CONSISTENTLY WITH ROSTER NUMBERS, AND THEY SIMPLY RUN THE ENTIRE GAME, REGARDLESS OF THE SCORE!** They don't have the top players; they have all bought in early to the team concept. Take note rest of the league, when you play them, if you don't run and match their team buy-in concept, you will end up being another team on the losing end of the score!

Leafpeepers lose their second straight game as they don't match the hustle or offer any pushback to their opponent, watching the game and chasing the play rather than controlling the play. Plenty of leaders and experience on this team. **The question is when your captain is not present to lead, who is going to step up and be that leader?**

Captain Dominic Defrancisco does it all this game to lead the way, playing offense and defense, scoring 2-goals and adding 1-assist to factor in on three of his team's four goals.

Tony Mastrocola breaks out with a big game of his own on offense, hustling all game to set up the game's first three goals (yes Munchkin no need to look at the refs for that assist on the game sheet, we don't hand out phantom assists)!

Rob Greene scores his third goal in his last two games to keep his goal scoring momentum going.

Seth Ford scores his first goal of the season.

John Carey also scores his first goal of the season for his team's only goal.
