GAME SUMMARY:

Lone Rangers win their second straight game, as they finally have a full roster of players, to move up into second place in the standings.
Chickenhawks lose their second straight game as they are missing some key players both on offense and defense. The jury is still out on this team, as we havent seen them play with a full roster; as they still need to develop that team chemistry and get better production on offense.
Rob Sheridan continues to lead the way for this team and make an impact on offense (especially when it matters), as he scores 2-goals, including the game winner early in overtime using his speed to break in down the slot ending this game!
Kyle McCabe finds himself early in this game at the right place at the right time out front to score the game's first goal.
Mike O'Neill breaks a two game scoring drought with his 6th goal of the season, but fills in on defense taking a potential offensive scoring threat away from his team's offense in a close game.
Patrick Spencer scores a goal in his second straight game, yet his production has not ramped up for this team. He needs to start mixing up his game using his speed, size and ball control to his advantage to get going and not rely on his heavy shot taken on the wing outside the white line.
