GAME SUMMARY:

Leafpeepers continue their winning streak, extending this to three games, moving into second place in the team standings with a solid all-around team defensive effort in shutting out their opponent, limiting the opponent to limyed shots and offense.

Lone Rangers are missing six roster players (including their top best player) and play this game with four fill-ins. You cannot compete when missing this many players! The result was expected as they had no energy throughout this game, limited offense and lack of scoring punch, and offered no pushback to their opponent. **Players on this team need to face reality and stop depending on one player to carry your team and start running instead of watching the game if you want to be successful as a team.**

Steve Silveira scores his first goal of the season and sets up the other goal for an impact game, while blocking multiple shots by his opponent. **Perhaps Steve was embarassed knowing the Colleen had scored her first goal before him last week and needed to step up his own game!**

Captain Tom Gallagher scores a goal to extend his scoring streak to two games while quarterbacking his team's offense.

Cam Long has a quiet game on offense as he assists on both goals scored by his team.

Goalie Dave Giusti stops all seventeen shots faced to post his second shutout of the season. Rumor has it that Dave was locked in all game knowing that he finally would be presented his long overdue Spring 2026 season championship jacket.
