**Game Summary:**

FINALLY! M\*A\*S\*H grabs that damn monkey by the neck off its back and tosses it aside as they break their seven game losing streak with a complete all around solid game by their team, winning their first game. A smart ball control game played. Barney & Friends can't generate any offense against the smothering team defense of their opponent. Rich Pelletier gets his team on the board first halfway through the first period, scoring his first goal of the season. Tom Gallagher adds the game winning goal also in the first period, and takes charge of his team's offense with his smart play and experience. Angelo De Luca scores his team's only goal, extending his goal scoring streak to three games. Goalie Dave Giusti, who has played well for his team, finally gets a well deserved W for his efforts, stopping 27 out of 28 shots faced.
